

Syrian Muslim refugees do not want American citizenship. They want to force their cruel and brutal Sharia law on Americans! ²

July 2015

Dear Friend,

“Obama has no room in [the] USA for Christian Refugees, only Muslims [Allowed].”¹

Secret planning to bring 70,000 more Muslims to US over the next five years has begun.² 1.6 million have already come.³ According to statistics, 10 – 20% of these Muslims are terrorists. A Catholic nun in Lebanon told a reporter that ISIS has infiltrators within these refugees.²

Kentucky and other states have been selected to receive the Syrian Refugees. The cost to the tax payers of resettling these refugees has been estimated at \$1 billion a year.²

Greek Catholic sources have said that there are also 300,000 Syrian Christian refugees but the Obama administration has not shown a willingness to receive the Christians.² These Christians are being raped, tortured and murdered by ISIS Muslims in Syria.¹

Gov. Bobby Jindal of Louisiana said that these Muslim refugees do NOT want to become American citizens but want to establish Sharia law in America. The Governor said, “That’s really an invasion, if you’re honest about it.”²

Sister Momeka’s convent in Iraq was blown up by ISIS and she fled to Kurdistan.⁴ Many Muslims were brought to America by Obama, but not Christians.

Christians are being tortured in greater numbers than Muslims. This huge input of Muslims (and not Christians) into America raises an obvious and important question. Why has Obama NOT allowed Christians to be brought into America, but thousands of Muslims have been allowed to enter freely? **Could it be to increase the number of Muslims in our country?**

In my research, I was shocked to learn that **young girls in England, ages 11-12, are being pulled out of their homes and orphanages by gangs of 6-8 adult Muslim men and are brutally raped.** [Google search “Muslim rape gangs” for more information.] The **police and courts in England take the side of the Muslims** and blame the children! Then the gangs keep coming back to get the girls again and again. This has been going on for about ten years.

When the police and judges are asked why they refuse to prosecute the gangs they say that they are afraid they might be called racist. When the gang members are asked why they are so cruel, they say it is all part of the Sharia Law and their Muslim religion. Some people are saying that England is gone – taken over by Muslim immigrants.⁵

Similar stories are coming out of Sweden which is now called “The Rape Capitol of the West [Europe].”⁶ Forty years ago the Swedish government opened their country to Muslim immigration. Since that time violent crime has gone up 300% and rapes by 1,472%. Again, the Swedish courts have demonstrated sympathy for the rapists, not the victims, and give the same reasoning. They are afraid of being called racists.

Swedish victim,
Muslim gang rape

Anyone who tries to defend the girls on social media is viciously attacked. It seems that it is part of the Muslim religion to rape and brutalize women who refuse to comply with Muslim teachings (Sharia Law). When one man in Sweden tried to speak out for the victims, he was arrested and the courts decided that the facts were not relevant! He was eventually convicted of “denigration of an ethnic group” which is a crime in Sweden. He was given a fine and a suspended jail sentence.⁶

There are many more horror stories about the consequences of allowing many Muslims to infiltrate a country. One story is entitled **“Pan-European Arab Muslim Gang Rape Epidemic.”⁷** The Muslim gang rapes also occur in Germany, France, Australia, Norway and Denmark. Apparently, the Quran teaches that it is legal to rape non-Muslims.⁷

These Muslim rape gangs are a brutal attack on all women, on the men that God put here to protect their families, on law and order, on society, on the Lord Jesus who bled and died for the sins of the world and on God who created all of us in His image. As Christians, we have a duty and responsibility to stand strong against those who seek to defile His children and attack His Holy Name.

(OVER)

We made documentary DVD (#51) about the above articles and it includes video clips. One clip (Fox News) is about **22 Muslim terrorist training camps in the US**⁸. Apparently Obama won't let the FBI remove them. **IF YOU WOULD LIKE ONE OR MORE FREE COPIES**, fill out the form below. We can also send you copies of the articles mentioned in this letter (34 pages).

Glenn Beck may be having a big nationwide rally (Never Again Is Now) soon to support the people who are being tortured and murdered in the Middle East. If you want to go on the **bus** with us **from Louisville, KY** fill out the form below.

We are planning meetings around the state. We'll have a **free lunch meeting in Owensboro on Saturday, August 1st at 12 noon at Faith Temple Church, 3 Booth Field Rd (off of Hwy 60 W)**. In the fall we will have a **candidate forum**.

The two evil Supreme Court Decisions (one to redefine marriage and the family and the other to promote socialism and destroy the best medical system in the world) are just what God is going to use to wake up and motivate the church, overthrow the evil in the White House and turn our country back to God! For starters, we should all get this FREE bumper sticker and give them out to everyone we meet.

May God bless you and thank you for your support.

Sincerely,

Frank G. Simon
